

CONFIDENTIAL

BARNES CC-57, CC-61

WASHINGTON STAR, 27 Jan 81

a. " for a time imprisoned in Mashhad, a city in northwestern Iran, where the hostages were kept in groups of three. "

b. " Barnes guessed that perhaps 20 hostages were kept at Mashhad altogether, but the different groups never met, "

c. " some hostages attempted escape by sawing through prison bars. They'd go out the windows, then get caught and get beaten with rubber hoses. Some others were beaten for different reasons. "

d. " some hostages were handcuffed while they slept in the early stages of their confinement. The practice was later dropped. "

1. The above reports have been reviewed. There is insufficient data to make any conclusive correlative judgments.
